eDumbe Municipal Manager

SCOPE OF WORKS

1. PURPOSE

The purpose of the Request for Quotation is to appoint a service provider for Repairing of Potholes within the eDumbe Local Municipality

2. SCOPE OF WORK=SPECIFICATION

2.1 Repair Method

The immediate area surrounding the pothole shall be excavated to remove distressed material.

Ragged and/or proud edges shall not be permitted and vertical squaring up of the existing edge around the perimeter of the area to be treated is required. In unbound granular materials the sides of the excavation shall be trimmed to a battered slope.

The Contractor shall select the repair method most appropriate to correct the defect. The materials used shall comply with TNZ M/10 or and or any mix approved by the Project Management Unit Manager.

2.2 Temporary Repair Method

When the weather is unsuitable for a permanent repair, the pothole will be filled with a suitable material to make the area safe until a permanent repair can be affected.

2.3 Surfacing

The finished running surface of the repair shall be waterproof ,dense and stable and not move under the action of traffic. Material shall be Medium Graded Cold Mix.

2.4 Performance Criteria

The performance of the Contractor during Contract period will be measured by the following criteria:

- a) the safety of road users is not impaired by unrepaired potholes
- b)inspections are completed on time and inspection records are available when requested by the PMU Manager.
- c) inspections are completed within the specified frequencies.
- d) potholes are repaired within the response times required
- e) the pothole repaired remain intact
- f)repaired potholes continue to remain waterproof and maintain a smooth riding surface
- g) there is no flushing or bleeding of the surface of potholes
- h) appropriate notification to the PMU Manager within the response time required,of individual pothole exceeding 1m²
- i) the excavation of the repaired area is carried out in such a manner that the integrity of adjacent sections of pavements is not disturbed
